Dr. Babasaheb Ambedkar Marathwada University

Chhatrapati Sambhajinagar, Maharashtra (India)

A State Government University
Reaccredited by NAAC with 'A+' Grade

AICTE – VAANI SCHEME 2026-27

AICTE
All India Council for Technical Education
New Delhi

University Department of Management Science (MCA)

Organizes

THREE DAYS HANDS-ON WORKSHOP ON

Google Cloud Services for AI Research

(Marathi and English Bilingual Mode)

Revised Dates 20 -22 Nov 2026

Hall No. 3, Ground Floor,
Department of Management Science

WORKSHOP HIGHLIGHTS

- Hands-on Labs & Live Demonstrations
- AI/ML & Generative AI Applications
- Big Data, Analytics & Visualization
- DevOps, Docker & Kubernetes
- Industry Projects & Capstone
- E-Certificate to all Participants

TECHNOLOGIES TO BE COVERED

- Google Cloud Platform (GCP)
- Vertex AI & AutoML
- BigQuery
- Cloud Storage
- Dataflow & Dataproc
- AI/ML APIs
- Looker Studio
- Docker
- Kubernetes
- Cloud Run & App Engine

ABOUT THE UNIVERSITY

Dr. Babasaheb Ambedkar Marathwada University, Chhatrapati Sambhajinagar, was established in 1958. The University, named after Bharat Ratna Dr. Babasaheb Ambedkar, is a premier teaching and affiliating state university spreading over 855 acres. It is re-accredited by NAAC with 'A+' Grade and is recognized for its excellence in higher education, research, innovation and social commitment.

ABOUT THE DEPARTMENT (UDMS)

The University Department of Management Science (MCA) is committed to quality education, research and innovation in the field of computation and management. The department offers MCA and BCA programs with modern infrastructure, experienced faculty and industry-oriented curriculum.

ABOUT THE WORKSHOP

This workshop aims to provide hands-on experience on Google Cloud Services ecosystem, AI, ML, generative AI, Big Data and DevOps for research and industry applications. Participants will explore cloud-native tools and services to develop intelligent solutions for real-world challenges.

OBJECTIVES OF THE WORKSHOP

- Introduce Google Cloud ecosystem for AI research
- Provide hands-on exposure to Google Cloud services
- Build skills in AI, ML, Data Analytics & Generative AI
- Enable deployment of intelligent & scalable applications
- Promote research, innovation & industry collaboration
- Enhance employability & cloud certification readiness

CHIEF PATRON
Prof. Vijay Fulari
Hon'ble Vice Chancellor
Dr. BAMU, CSN

PATRONS
Prof. Pravin Wakte
Hon'ble Pro Vice Chancellor
Dr. BAMU, CSN

Prof. Syed Azaruddin
Dean, Faculty of Commerce and Management

CONVENOR
Prof. Abhijeet Shelke
Director and
Sr. Professor

COORDINATOR
Dr. Satish Bhalshankar
Assistant Professor
(Sr. Scale)

CO-COORDINATOR
Dr. Yashwant Waykar
Assistant Professor
(Sr. Scale)

TECHNICAL SUPPORT
Mr. Giri Dynaneshwar
