Subject: Quotations for Digital Soil Testing Mini Lab, "DST-SEED STI HUB Project" under Activity-2 (CSTURI).

The sealed quotations of following items are invited for **Chemical & Glassware**, "DST-SEED STI HUB Project" under Activity-2 (CSTURI). The sealed quotations should reach to Department of Computer Science and Information Technology, Dr Babasaheb Ambedkar Marathwada University, Aurangabad on or before June 28, 2022 up to 03:00 PM.

#### **Chemical List**

| Sr. No. | chemical name                          | Quantity             | Rate per unit |
|---------|--|----------------------|---------------|
| 1       | Standard Buffer tab (pH-4,pH-7,pH-9.2) | 1 packet each Buffer |               |
| 2       | Potassium chloride (KCL)-              | 1 kg                 |               |
| 3       | potassiumdichromate                    | 1 kg                 |               |
| 4       | Concentrated sulfuric acid             | 6000 ml              |               |
| 5       | silver sulphate                        | 100 g                |               |
| 7       | sodium bicarbonate                     | 4 kg                 |               |
| 8       | ammonium molybdate                     | 200 g                |               |
| 9       | antimony potassiumtartarate            | 200 g                |               |
| 10      | ascorbic acid                          | 200 g                |               |
| 11      | potassiumdihydrogen orthophosphate     | 200 g                |               |
| 12      | Activated charcoal powder .            | 1 kg                 |               |
| 13      | ammonium acetate                       | 4 kg                 |               |
| 14      | Calcium chloride                       | 200 g                |               |
| 15      | Glacial acetic acid                    | 4000 ml              |               |
| 16      | Ortho phosphoric acid                  | 1000 ml              |               |
| 17      | Barium chloride                        | 4 kg                 |               |
| 18      | Gum acacia                             | 200 g                |               |
| 19      | DTPA                                   | 1 kg                 |               |
| 20      | Triethanolamine (TEA)                  | 2000 ml              |               |
| 21      | Hydroxylamine                          | 1 kg                 |               |
| 22      | hcl                                    | 4000 ml              |               |
| 23      | sodium acetate                         | 1 kg                 |               |
| 24      | phenanthroline monohydrate             | 100 g                |               |
| 25      | curcumin                               | 50 g                 |               |
| 26      | sodium hydroxide                       | 4 kg                 |               |

| 27 | Acetone                            | 2000 ml      |  |
|----|------------------------------------|--------------|--|
| 28 | Hydrogen peroxide                  | 1000 ml      |  |
| 29 | potassiumperiodate                 | 200 g        |  |
| 30 | potassiumscanide                   | 200 g        |  |
| 31 | chlorohexanone                     | 100 ml       |  |
| 32 | zincon                             | 100 g        |  |
| 33 | sodium ascorbate                   | 200 g        |  |
| 34 | boric acid                         | 2 kg         |  |
| 35 | Ammonium hydroxide                 | 1 kg         |  |
| 36 | chloroform                         | 2000 ml      |  |
| 37 | isopropyl alkohol                  | 2000 ml      |  |
| 38 | Neocuproine                        | 50 g         |  |
| 39 | hydrate sodium citrate             | 1 kg         |  |
| 40 | labolene                           | 1000 ml      |  |
| 41 | Distil Water (per Container 5 Ltr) | 50 container |  |

### Glassware

| Sr. No. | Name of Glassware                | Quantity    | Rate per unite |
|---------|----------------------------------|-------------|----------------|
| 1       | Beaker of 10, 50, 100, ml        | 30 nos each | •              |
|         | capacity                         |             |                |
| 2       | Beaker of 250,                   | 12          |                |
| 3       | 500,1000 ml capacity             | 04 each     |                |
| 4       | Volumetric flask of 100 ml       | 04          |                |
|         | capacity                         |             |                |
| 5       | Volumetric flask of 50,10 ml     | 04 each     |                |
|         | capacity                         |             |                |
| 6       | Glass rod                        | 10          |                |
| 7       | Tissue paper                     | 100 nos     |                |
| 8       | Wash Bottle                      | 04          |                |
| 9       | Conical flask of 100 ml capacity | 15          |                |
| 10      | 1000 ml volumetric flask         | 04          |                |
| 11      | pipette 5 ml,10ml                | 04 each     |                |
| 12      | plastic dropper                  | 4000 nos    |                |
| 13      | Reagent bottles 10 ml            | 10          |                |
| 14      | Reagent bottles 100 ml           | 10          |                |
| 15      | Reagent bottles 250 ml           | 05          |                |
| 16      | Spatula 1 g                      | 05          |                |
| 17      | Spatula 5 g                      | 10          |                |
| 18      | measuring cylinder               | 04 each     |                |
|         | 10,25,50,100                     |             |                |
| 19      | Glassware cleaning brushes       | 04          |                |
|         | small                            |             |                |
| 20      | Cleaning Clothes                 | 12          |                |
| 21      | wet dustbin                      | 02          |                |
| 22      | dry dustbin                      | 02          |                |
| 23      | dust pan                         | 02          |                |
| 24      | broom                            | 02          |                |
