## Invitation:

Dear delegates,

It gives us an immense pleasure to cordially invite you to participate in Dr. Babasaheb Ambedkar Marathwada University, Aurangabad sponsored National Conference on

### **"Gender Studies: Literature, Culture, Media and Society"**

organized by department of English on 15<sup>th</sup> February, 2020. The Conference aims to bring together the students, teachers, researchers, scientists, academicians, and experts from the different parts of country to exchange their ideas and knowledge on gender studies. Gender studies is an interdisciplinary field which includes men's studies, women's studies and queer studies. The organizing committee has arranged lectures of eminent resource persons from the different Universities of the country.

We welcome you and your colleagues to participate in the conference and make paper presentation. The conference will definitely prove to be helpful in promoting and creating new insights in the field of Gender Studies.

#### **ABOUT THE HOST INSTITUTE:**

The social reformer, former Minister of Maharashtra state and great visionary, Late Shri. Manikraoji (Dadasaheb) Palodkar established "Rajarshi Shahu Education Society" at Sillod in 1971. Yeshwantrao Chavan College of Arts, Commerce & Science, Sillod is one of the many units of this society. The Institute has been striving to achieve the aim with the motto "Bahujan Hitay Bahujan Sukhay" with the vision statement "Education for Solution". The college has been imparting education to the students across all sections of society and succeeded to a large extent in leading the institution towards the educational excellence. The institute is catering its educational services in this region through various branches from pre-primary school to post graduate level. The institution is now progressing well under the able guidance of Shri. Prabhakarrao Palodkar, the president of the institution. It is one of the well-known educational institutions in Aurangabad district.

Yeshwantrao Chavan College of Arts, Commerce and Science was established in 1972. It is permanently affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and reaccredited with "B" Grade in 2015 by NAAC. The college is well equipped with good infrastructure and has beautiful campus. The College offers various courses and streams of study from Junior wing to P.G. section along with research facility and also has well stocked Library with ICT facilities. Thousands of students of this region are taking benefits of several courses.

The Department of English was established in 1972. It has a well-furnished Language Laboratory with one server and sixteen clients setup. Along with undergraduate courses, the department also runs PG course and offers guidance to Ph. D. researchers in English literature. The department is committed to the all round development of the students by providing quality education.

#### **ABOUT CONFERENCE:**

The proposed conference will provide a forum to discuss and deliberate over contribution of women, gay and lesbian in a number of fields of human development. These include creative and critical literature, culture, media, society

and so on. Literature and Media are the mirrors of society. Literature is reflection of happenings in the society and exhibits the culture of society. Gender Studies is a discipline created originally by activists who study it as their mission to identify, analyze and correct social inequalities both locally and globally. The issues related with gender studies need to be discussed comprehensively and corrective measures should be taken to improve their pathetic plight and increase their participation in creative and constructive activities and mete justice out to them which they have been denied for ages.

The conference provides a forum to the participants to share their research findings, views, concepts and innovative ideas addressing gender studies. Moreover, it will acquaint the participants with different aspects of gender studies. Thus, this national conference will definitely disseminate the issues of women and other gender in order to achieve gender equality and their empowerment.
