About Aurangabad

Aurangabad is located in Central Maharashtra and has always been a prominent region on the Deccan plateau, having a long artistic and cultural history. Various monuments like Bibi Ka Maqbara (replica of Taj Mahal), Panchakki, Daultabad Fort, Tomb of Mughal Empire 'Aurangzeb' and world famous Ajanta, Ellora Caves are places of tourist attraction.

About Us

The MAHATMA GANDHI MISSION (MGM) was established on 20 December 1982 with a futuristic vision to provide qualitative education by applying innovative and dynamic pedagogical techniques. Since inception, the Trust has focused on providing health care services in urban as well as rural areas and providing education ranging from basic school education to higher education in various streams. For more than 33 years, MGM has blazed a trail of academic excellence and state-of-art health care services. A strong, dynamic institution that keeps pace with the demands of the modern world, prominent locations and excellent education facilities makes MGM worthwhile and an exciting choice for education. MGM Established "Dr. G.Y. Pathrikar College of Computer Science and Information Technology" in 2001, offering various undergraduate and post graduate courses in Computer Science and Bioscience. College is NAAC accredited on September 2012 with B grade. The College is pursuing goal of excellence in quality education research, Committed for protecting the environment. In view of this College is ISO 9001:2008, 14001:2004 respectively.

How to reach

By Air : Aurangabad is having International & Domestic Airport. Air services are available to and from Mumbai by Jet Airways and from New Delhi (Via Mumbai) by Air India.

By Rail: Aurangabad has Railway station and is connected to Mumbai and New Delhi by Rail.

By Road: Aurangabad is well connected with major cities of Maharashtra state and India by a good network of roadways. The distance for some of the major cities from Aurangabad are Pune (256 km), Nashik (218 km), Indore (402 km) and Mumbai (403 km).

Objective of seminar

- Enhancing the Quality of teaching learning process.
- Exchanging views on influence of teaching and evaluation on student learning.
- by providing an opportunity to learn effective pedagogical techniques.
- Encouraging scholarly enquiry related to education.
- Promoting integration of technology for teaching learning success.
- To discuss the innovative ideas and Best practices being followed in Teaching-Learning and Evaluation
- To Re-define the Role of the Teachers in nurturing Higher Education.
- To discuss the Evolution Process and Reforms in Higher Education.
- To deliberate upon the present scenario and challenges before Higher Education in India.
